Attached is my manuscript previously reviewed by the PRB with requested redactions. I have made some minor changes, so I wanted to resubmit it to you for review. The changes are as follows:

I removed Chapter 14 in its entirety because it is not relevant to the subject matter.  
I added Chapter 15 Summary, which is a general summary of the book's content.  
I added a few sentences of detail regarding the origin of the Bible verse on the wall in HQ lobby.  
Grammatical errors and exact dates were verified and corrected if necessary throughout the manuscript.

Attached is the version ready for publishing format. Once you have reviewed and returned this, I will send you the final publish ready manuscript for review when it is complete. Please note my new address below.

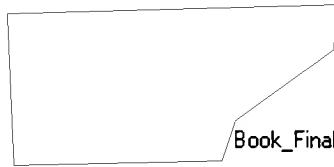

Thanks for the help,
